To Whom It May Concern,

I hope all is well, hoping all individuals within this department are safe among their loved ones during the pandemic of COVID-19.

I'd like for this email to reach the district Judge Mr. Furman who was involved with my sentencing on 2015 with a continuation of probation to complete within a time frame of 3 years. I, Christian Infante have completed 5 consecutive months ; Starting June - ending November with The Bronx Community Reentry Center (Halfway House) located at 2534 Creston Avenue Bronx, NY 10468. The program has enforced my Values, perspectives, life choices and responsibilities. I've also completed an amount of 2 years probation without any misconduct, any reports or warnings. I've also managed to report monthly without any burden.

Additionally, I've managed to obtain employment since my release year November 2018; which has kept me occupied and focused on my long term goals.

Therefore, Mr Furman I'd like to request for you to uplift any remaining time that's needed to complete my probation. I can offer you a guarantee of my well going behavior to remain the same.

Again, my obstacles has made me flourish as an individual, while always accepting a new improved version of myself. I'd like to express how grateful I'am if the remaining time of my probation is uplifted, I couldn't thank you enough.

Thank you in advance,  
Chrisitan Infante 71213-054
